

# Chipyard: A RISC-V Development Framework

## ECE Day 2021

Alexander Lukens    Karl Hallsby

Illinois Institute of Technology

April 9, 2021

# About Us

Alexander Lukens

B.S. Electrical Engineering

Karl Hallsby

B.S. Computer Engineering  
M.S. Computer Engineering

# What is RISC-V?

# What is Chipyard?

# What We Did

# What We Learned

# Educational Laboratory Work

# Further Research Work

# Conclusion/Deliverables

# Demonstration

# References
